## Message from the President

Merry Christmas and Happy New Year Lions We are coming off a very busy and successful year. I thank all the Lions who worked so hard on our projects. On Canada Day July 1st we served more breakfasts than ever before. Our Car Show was a success even though the weather didn't cooperate. Bingos have improved as well and its nice to see more members participating . Special thanks to those Lions who took part in presenting our club bursaries at the high school commencement ceremony's. Thanks to all those who worked our Nursing home Christmas visits Hopefully we can start the new year off on a positive note. We have a few interesting fundraising possibilities to bring forward in the new year.

Was nice to see everyone at our club Christmas dinner. Good time was had by all .I really appreciate your contribution to Lionism. Lions please enjoy the festive season and I look forward to seeing everyone in the new year.

## International News

### Empowering People with Disabilities

LCIF and Lions are helping people with disabilities to lead more independent, productive and fulfilling lives. Lions have built more than 1,000 handicapped-accessible homes in partnership with Habitat for Humanity. We also support people with disabilities through training and services they need to improve their education and job prospects, while enhancing their day-to-day lives and emotional well-being.

Current humanitarian efforts include the [Opening Eyes](#) program, which helps Special Olympics athletes see the finish line more clearly, while also improving their quality of life, and the [Lions Affordable Hearing Aid Program](#), which provides low-income people with access to hearing aids to enhance their quality of life.
